

final knight

part (i)

Welcome...

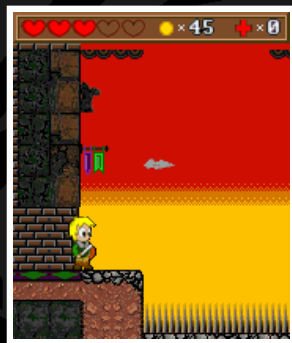

To the peaceful mountain Kingdom of Berholme. A kingdom that will perish without your aid.

Only the courage of a young knight and the wisdom of the town's ruling Duchess can prevent a cruel darkness from overwhelming majestic Berholme. Take up this battle against a primal, ruthless evil from your mobile phone!

With all you'd expect from classic games of this genre, swords, hordes of monsters, a courageous young knight on a life-or-death quest and a Duchess as stunningly beautiful as mobile phone technology can produce, it's got all the fun of old-school platform games, which you can play anywhere!

Features (Series 40 & Sharp GX-x):
5 distinct adversaries
3 gorgeous environments
Unique and engrossing story line
State of the art mobile game play

Features (all other devices):
10 distinct adversaries
